It's time to begin your safari. Welcome to Tanzania! After we greet you and provide you with the trip briefing, we'll take you out to help you discover why so many people think Tanzania is the best place in Africa to go on safari.

We think you'll be impressed with Tarangire National Park. Most visitors love the distinct shapes of the baobab trees silhouetted against the sky that make this place feel like a fairy-tale African landscape. Or visitors remember the elephants that roam in family bands everywhere throughout the park. If you're lucky, you'll also encounter the big cats – lions especially, but also cheetahs and leopards – that are always a possibility here. And there's a fair degree of certainty that you will tick wildebeest, giraffe, hippo, buffalo and zebra off your wildlife-viewing list.

Known as the 'home of elephants', Tarangire is famous for holding a large number of elephant herds. It was named after the Tarangire River, which crosses the park. Tarangire is a vast park that holds almost all of the big five except the Rhino. It is rich in vegetation and wildlife. Explore fantastic Tarangire on a guided game drive that will take you out among the baobab trees to look for lions, elephants and more. In the evening, you will head towards your accommodation for dinner and overnight stay.

Day 3

Day 4

Early Morning Ngorongoro Crater then to Kilimanjaro for Departure

Today you'll visit Ngorongoro Crater, one of the most beautiful natural sights in Africa, a place where you'll experience otherworldly beauty with extraordinary wildlife. Watch as, from above, morning mist rolls up and over the crater rim, and notice how the steep walls suggest a place unlike any other. Down below on the crater floor, explore a lost world preserved in a state of pristine isolation, one that shelters lions and hyenas, elephants and black rhinos, flamingos and golden jackals. There are also forests, hippo-filled lakes, a salt pan and hyena dens, and you'll never lose the sense that you've stumbled into a safari theme park where everything's wild.

This marks the end of your safari in Tanzania. We hope that you have enjoyed your trip and that you're already planning your next safari.

Activity *Day 4*

Early Morning

- On this morning's guided game drive, we'll take you down into Ngorongoro Crater; the drive down is one of the most thrilling possible approaches for a day of wildlife viewing. You'll be down in the crater for most of the day looking for lions, hyenas, black rhinos and more. Your guided game drive down into and around Ngorongoro Crater, is one of the best safari experiences you can have in East Africa. Scientists argue and claim this to be the 8th wonder of the world however it still hasn't been established. We'll leave that decision to you! Ngorongoro Conservation Area covers an area of about 260 squared kilometers. Get to explore Africa's 'Garden of Eden' in the comfort of your safari vehicle and get to spot the Big five – Elephant, buffalo, leopard, black mane lion and the rare black rhino.

After Game Drive, your guide will drive you to the airport for your departure. We hope this safari is not the last time we get to see you.
